

Yayasan PETRONAS Objectives

Yayasan PETRONAS' purpose is to contribute to the well-being of society. Our focus areas are to promote the following:

- i. **Education** – Better the opportunities for underprivileged students to realise their potential through STEM education
- ii. **Community Well-being and Development** – Better the standards of living for underprivileged communities & youth by creating pathways for sustainable livelihood and better health
- iii. **Environment** – Better the environment through biodiversity, conservation and carbon neutral programmes

Yayasan PETRONAS Guiding Principles

When considering a contribution, Yayasan PETRONAS will apply the following Guiding Principles:

- Value Creation – The Foundation aims for initiatives that create value for all parties involved, e.g., society, stakeholders, partners, NGOs and other collaborators.
- Sustainable Impact – The Foundation focuses on initiatives that have the potential to solve issues which may require long term intervention for ongoing improvement.
- Innovative Solution – The Foundation aims to deliver innovative solutions to address issues concerning education, community well-being and development, and the environment.
- Effective Partnership and Collaboration – The Foundation places importance on collaborating with stakeholders to offer impactful solutions which address areas of need.

Yayasan PETRONAS disburses its contributions to organisations that are established in, and operate and running activities within **MALAYSIA only**.

Exclusions

In order to further streamline contribution requests, and to ensure donations are provided in a most timely manner, applications from / of the following list of exclusions will be reviewed only after the priority applications are processed. For example, Yayasan PETRONAS is not aligned with any religious or political cause, and therefore filters out requests from such (related) organisations and/or individuals.
